In addition, this plan provides comprehensive travelers insurance and 24-hour emergency assistance. Coverage for the following elements is provided by RBC and is subject to the terms, conditions and exclusions of the policy. LDP will be pleased to recommend a Travel Insurance Counselor for your insurance needs.

- **Airfare Protection** - Should you need to cancel or interrupt your LDP tour for covered medical reasons, airfares and air penalties are covered.

Accommoda- tions

Hotel Rooms Before or After Tours Are Not Included - LDP has special hotel rates and can assist in arranging nights before or after your tour to help get you better acclimated. Reservations are on a space available basis and charges will be billed separately to your tour cost. Note: Airport transfers are not included for these bookings.

Hotels - The LDP standard is to provide the best available hotels without sacrificing value. Although the quality of accommodation may differ from place to place, this standard remains uncompromised. Two-bedded rooms are reserved in most hotels. Triples are a two-bedded room plus a rollaway cot.

Single Rooms - Since hotel rates are per room, the tour price for rooms occupied by one person is higher than those where two or more persons share the cost of a room. Therefore, singles will be required to pay a Singles Supplement to cover the additional costs, as all our prices are quoted based on Double Occupancy.

Single Supplement

Singles who wish to share with another guest should request this at time of booking; reservations will be designated as a "single-share-if-possible" basis. The single price is charged initially; upon departure, if another guest is willing to "share", the difference between the single price and the 'per person twin' price will be refunded. We will do our best to match you up with a roommate, however, to reiterate, the ultimate responsibility relies on you to make such arrangements as shares cannot be guaranteed by LDP.

Meals

Breakfast, Lunch and Dinner meals are included as specified in the itinerary. Special dietary requests may not be available so please confirm any special needs with LDP and we will try our best to accommodate. Your understanding is expected and appreciated.

Personal Expenses

Personal Expenses, such as phone calls, room service, alcoholic beverages, mineral waters, soft drinks, laundry, visa fees, vaccinations, airline excess baggage charges, tips and other extras are **not included** and may be significant.

Clothing

Please confirm proper attire with LDP. Generally, we will be in Peru during the high season with comfortable weather. However, going up into high elevation will require that you bring warmer clothing which can be layered. Recommended – sun screen & sanitizing Hand Wipes/Gel.

Internet Café's abound in Peru so e-mail access is plentiful. Also, most hotels offer internet services, either complementary or for a reasonable fee.

Passports & Visas & \$

All registrants must possess a valid passport extending at least 6 months beyond the planned return date. In addition, appropriate Visas must be arranged for at the appropriate Consulate if you are carrying a passport for which Peru requires Visas. ATMS are plentiful in Peru and you can get either local or U.S. \$. Merchants in open markets prefer U.S. currency to local. Also note that there is a departure fee payable at the airport in Lima in U.S. \$. It is currently \$31.00 (fluctuates with currency).

Membership & Health

LDP reserves the right to terminate the tour of any persons who are abusive of others or whose behavior is deemed by the Retreat Leaders as inappropriate or disruptive of the tour. This decision will be made solely at the discretion of the tour leaders and is not subject to discussion. Travelers should be in reasonably good health. Most tours require considerable walking, often on uneven terrain. Many sites have limited motor coach access and involve stairs and inclines. Any person who needs assistance with walking, dining, or personal needs must have a companion to assist them. Please consult your physician for pre-departure health advice.

Roads in rural and wildlife areas are bumpy and dusty. While LDP provides reliable and comfortable vehicles, land travel can be slow in wilderness areas.

Medical information & Release

Registrants are required to complete the provided medical information and release form prior to departure. This includes an undertaking that Medical Coverage has been taken for the full duration of the trip!

Governing Law for Agreement

This contractual agreement is governed by the laws of Canada.
